New Generation BI

The concept of Business Intelligence (BI) has changed. Once referred to as a “tech-savvy only” access tool, it has now evolved into an accessible natural language data processor. The new generation BI tool answers English language questions, in real time and without having to rely on the IT department to configure systems for reports. **Read more...**

News

Woermann and Brock: QBCon will ingrate new functionality for prepaid products to be made at the point-of-sale in the retail outlets. Additional functionality will enable better management of the stock receiving process and improve the control measures to reduce the risk of stock losses due to wrong deliveries and/or theft.

Mediscor: QBCon is currently doing a business analysis for Mediscor’s preauthorisation system

Announcement

It is a pleasure to announce that Chris de Jager and Karin Grimbeek have joined our company in May 2008, with Chris in the position of Sales Executive and Karin in Account Management.

Karin has experience as Area Manager for a large retail business. Chris comes from an IT Sales and Hospitality industry background.

Please contact Chris if you have any enquiries relating to EasyAsk or QBCon Lab-i and Graham Liversage for any enquiries relating to QBCon Enterprise or any development work.

QBCon EasyAsk Breakfast – Ian Bezuidenhout from IHD

As a registered EasyAsk Application Partner for Progress SA, QBCon hosted a Breakfast Session on 27 May 2008, at Castello Di Monte, Pretoria. The guest speaker was Information Systems manager, Ian Bezuidenhout from IHD. The speech highlighted the importance the BI tool, EasyAsk has in an inventory management environment based on IHD's operations.

Feedback on Ian Bezuidenhout's presentation was excellent. The attendees could relate to IHD's concerns with the drain reports create on systems and human resources in the company.

Ian Bezuidenhout's presentation is available for download on the QBCon website at <http://www.qbcon.com/breakfast-download>.

If you would like to attend the third EasyAsk Breakfast session on 27 August 2008, please email Karin Grimbeek at karing@qbcon.com for more information.
